The Weapon Taker's Story Part 1

When I close my eyes
memories occur there as if it really
happened yesterday...

Of the time in the past when
lovely Colice and my comrades
were still smiling.

I was the captain of
the Crow mercenaries,
Raven...

Since the Crow
mercenaries were the
strongest unit in all of
the Balder Kingdom,
I'd thought these
happy days would last
forever...

3 days before the
wedding with Celice...

BAKER... YOU HAVE
MUCH TOO MUCH... THE
PEOPLE'S TRUST, HONOR,
OUTSTANDING SACRIFI-
CE... AND THE
BEAUTIFUL CELICE...

NOW ALL THAT
YOU HAVE WILL
BECOME MINE!

I lost everything
in one moment!

We will get rid of the Great
Plagues and punish the
leader Sera to
execute them as an
example!

Sera is
the leader the
bandit!

Sera is Sera!

Sera is!

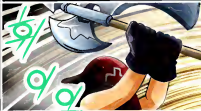

On the day of the scheduled
execution...

Drop the
rest of the
traitor!

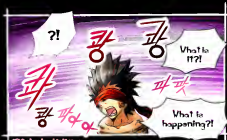

Arghhh! I won't
Forgive you!

WE CAME TO
RESCUE YOU,
BAHRE!

We are here
For you!

Captained

Yand!

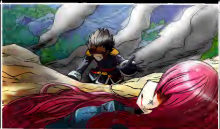

Celice and the Crow
Mercenaries came to save me.
The rescue was a success...
The Balder Kingdom's elite
forces were dispatched and
attacked us with their
firepower.

*My valiant comrades fell
one by one...*

*And my Celice... was lost
to me...*

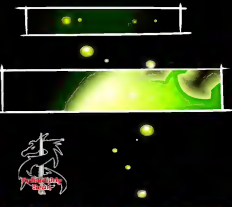

Final!!

The traitor
Raven!

From then on I became a living machine moving only through the Naad's wishes...

I attacked the human villages...

I rampaged mercilessly to
the point I couldn't even be
considered human.

Up until I heard Celice's voice...

黒猫

**DON'T!
RAVEN!!**

This voice...

What are you waiting for?
Kill the human quickly so we
can return home.

**DON'T!
RAVEN!!**

RAVEN!

Celica...and my friends...

What are you
doing there? I
told them

Kyoudo!

I'd forgotten...

Celice and my comrades will
forever live on in my
memories.

I have to work my whole
life to atone for these
sins I have committed!

For Celice and my
fellow Crow
mercenaries....

Using this title of
traitor, I will definitely
retrieve your honor!

In the name
of the Crow
mercenaries...

The Crow
Mercenaries'
Leader,
Weaponsmaster
Riven!!

I, Riven still exist!
As long as one of us
serves the Crow
Mercenaries will
live on.

I will reconstruct
the Crow
Mercenaries.

For my comrades
I wear the uniform
of the Crow
Mercenaries once
again.

APX, Brawl

Celica... My
comradea...
Please watch
over me...

The first thing to do
as a part of the Crow
Mercenaries...

Punish those who
have dirtied the name
of the unit! Just wait!
Raven is coming!

I've heard Raven
talk about this a long
time ago...

THIS PLACE... IT'S
VERY SIMILAR TO THE
PLACE WHERE I HAD
MY LAST BATTLE WITH
MY COMRADES.

THE LAST PLACE
I BATTLED WITH THE
HANS OF THE CROW
MERCENARIES.

CROW... YOU MEAN
THE TRAITORS OF THE
PAST VALDER KINGDOM?
RAVEN, YOU KNOW

Back then, Raven
did not answer to my
question but sadly
stared out to the
sky.

Shooting Guardian's Story

My name is
Prince Seiker...

But after that
day... I am now

The peaceful Sericea

made Haniel a living hero
in just one moment...

The
magic army's
attack...

Haniel's Red Knights

the line...

It was all for nothing.

An utter defeat...

I, who was to inherit
the Seiker family crest, the
ones assigned to protect the
Hazel Crest with our
weapons...

While in this
pathetic, defeated
situation... Will I still
be able to uphold
the Seiker name...

Endless despair...

death's door...

WE WERE ONE
STEP BEHIND... WE
COULD HAVE ACTED
EARLIER... THAT
HARSH CASTLE WAS
GOING TO ATTACK!
